Wayne Parcell *For Mayor*

Wayne Parcell PSM is your non-aligned independent Mayoral candidate, living on the Hinterland, for the whole Sunshine Coast Region offering performance not politics.

Now, more than ever we need authentic leadership experience to responsibly manage the Sunshine Coast Council's \$1billion budget. We need compliance and consultation rather than cartels of influence.

Our region is unique because celebrating your diversity has always been our difference. We endorse meaningful consultation.

We need to balance preservation with progress that recognises that our communities have their own unique character, framed by our region's outstanding natural beauty.
